Mr. J. E. Boush—Dear Sir: While I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in Dyspepsia, loss of appetite, dizziness, and general debility, with entire success. So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy.

HEAR YE! HEAR YE! HEAR YE! HEAR YE! READ AND BE WISE:

READ AND BE WISE:

THE celebrated German and Indian Physicians, Doctors BROTHERS & GRAY, have established a permanent medical office in this city, after having travelled the world over in search of knowledge; and, having spent seven years among the Indians for the purpose of getting a thorough knowledge of botany, they flatter themselves qualified to alleviate and cure all complaints to which the human family are subject. We flatter ourselves that, without asking a question, we will tell all who favor us with a call their complaints and symptoms, and guaranty an easy and speedy cure. A decided advantage we have over other medical men is in the manner we determine the nature and location of the disease, which is by the urine. We require at least two ounces of the first in the morning. The many faci lities afforded us by hospital and private practice in this and foreign countries warrant us in assuring those who are suffering from disease that our treatment is attended with unusually favorable results; for, "to know the disease is half the cure." The Doctors' medicines are wholly vegetable, and prepared by themselves.

References can be had at our office from persons living in all the western counties of the State of New York. Pennsylvania, Canada, &c., who, having been given up to die by the Faculty, hearing of us, and availing themselves of our skill, have been restored to health.

Diseases successfully treated at this office are the following: Consumption, both nervous and pulmonary; also,

skill, have been restored to health.

Diseases successfully treated at this office are the following: Consumption, both nervous and pulmonary; also, Coughs, Coids, Bronchites, and all pains arising from the chest, lunga or liver; all cases of Nervous Weakness, Neuralgia, Hypochondrinacal complaints; all cases of female weakness and obstructions; Dyspepsia, Salt Rheum, Syphilis, Piles, Graret, and all Scrofulous complaints; Mercurial Diseases, Rheumatism, and all complaints which require the blood to be pure and healthy, and to assist nature to perform her natural functions.

NEWS BY TELEGRAPH.

Democratic National Convention!

BALTIMORE June 1-10 a. m. We are in a perfect sea of excitement. The whole city is a scene of political juggling. Strangers are here from every quarter. The hotels are overflowing. Nearly all the delegates will be in attendance in the Convention. I have never before seen so much manœuvring, caucusing, &c. The friends of General Cass are using every exertion. So also are Mr. Buchanan's friends. Douglas stock appears to be rising pretty rapidly, and it would by no means astonish me to see him get the nomination. The chances for General Cass are very slim. He has but one chance in twenty to be successful. There is a decided and almost bitter opposition to him by many, and they would seem impervious to conciliation.

The Buchanan men are moving heaven and earth. They had a caucus at Carroll Hall last night, and held a kind of general levee at their quarters.

An immense meeting was held in Monument Square last evening, and several speakers addressed the multitude; but all were guarded, and urged only the support of the nominee, after he shall have been announced.

It is not yet known who will preside over the Convention. The Hon. Cave Johnson is prominently spoken of; also, Hon. John W. Davis, of Indiana. The Convention meets at 12 o'clock The two delegations, Union and Disunion, of

Georgia, are likely to give trouble. They have thus far been unable to fraternize or agree. The matter will have to be decided by the Convention. Mississippi stands ready to give five votes for Mr. Buchanan. Louisiana, though instructed to vote for Cass, will be glad of an opportunity to

take Douglas. Such is the fact, unmistakeably.

The two-thirds rule will unquestionably be dopted: this is certain death to Cass. General Commander, of South Carolina, is here. He has registered himself as a delegate from the Georgetown district. He is the only South Carolina delegate, but will not take the responsibility of representing the whole State. Second Despatch-23 p. m.-The Democratic Convention has assembled in the large Hall of the Maryland Institute. In consequence of the immense number of delegates, considerable delay has occurred in organizing. During the prelim-

inary arrangements, a small brass cannon before the door fired a national salute. Hon. B. F. Hallett, of Massachusetts, read the call of the Convention. Hon. Senator Bright, of Indiana, moved that the Hon. Romulus M. Saunders, of North Carolina, be elected president pro

Mr. Stewart, of Indiana, Mr. Day, of Mississippi, Edward C. West, of New York, and Col. Vesbass, of New Jersey, were appointed secreta-

em .: which was carried unanimously.

Rev. J. Campell White has eloquently addressed the Throne of Grace. On motion, a committee, one from each State, has been appointed to nominate permanent officers

of the Convention, as follows: Maine, William C. Allen; New Hampshire, John Reading; Vermont, William J. Benton; Massachusetts, Caleb Cushing; Rhode Island, Phillip Allen, jr.; Connecticut, James D. Pruett; New York, Zadok Pratt; New Jersey, Samuel Westcott ; Pennsylvania, Henry D. Wright; Delaware, Abraham B. Rhannon; Maryland, Hugh Ely; Virginia, Henry A. Wise; North Carolina. Robert B. Dick; Georgia, [there are two delegations from this State, each named a man,] Joseph Sturgess and John H. Lumpkin; Alabama, John W. Thompson : Louisiana, Philip Campbell ; Ohio, Wm. Kennon : Kentucky, John W. Stevenson; Tennessee, John K. Howard; Indiana, Findly Biger; Illinois, Thomas L. Harris; Missouri, Montgomery Blair; Arkansas, Hon. Mr. Burrows; Michigan, John H. Harman; Florida, David L. Yulee; Texas, Wm. P. Duvall; Iowa,

W. M. Colebaugh; Wisconsin, John A. Bryan California, Charles Loring. There is 'an immense crowd on the platform. A resolution has been offered to exclude all from the platform except delegates and members of

the press. This will carry. The defeat of Davis, and the election of Saunders, as temporary President, are considered ad-

verse to Douglas's chances. On motion, a committee of one from each State, on credentials, has been appointed, as fol-

Maine, Thomas B. Jones; New Hampshire, Edmund Burke; Vermont, Isaac B. Townsend; Massachusetts, Isaac Davis; Rhode Island, Wm. B. Lawrence: Connecticut, John W. Stedman: New York, General Ward; New Jersey, Joseph P. Botts; Pennsylvania, Robert Flannagan; Delaware, Hon. Mr. Wickersham; Maryland, Jervis Spencer; Virginia, William C. Flournoy: North Carolina, Hon. A. Rencher; South Carolina, (no delegation;) Georgia, (refused to appoint ;) Alabama, John A. Miltone ; Mississippi, Hon. M. R. McWillie; Louisiana, John McVey; Ohio, Allen G. Thurman; Kentucky, Willliam A. Hoe; Indiana, Alexander F. Morris; Illinois, S. S. Hays; Missouri, Robert F. ---; Arkansas, S. C. Roane; Michigan, A. W. Buel; Florida, Gen. C. Byrns; Texas, Matthias Ward; Iowa, Col. S. S. Carpenter; Wisconsin, Harrison

Hooper; California, William Richardson. The committee is instructed to report the num ber of votes each delegation is entitled to, and the post office of each delegate.

Testimony from Home!

Baltimorr, Sept. 11, 1851.

Messrs. Mortimer & Mowbray: I feel it a duty to make known the benefits I have derived from Dr. Hampton's Tincture. For a length of time I have been subject to great prostration of muscular power, and great debility of the nervous system, accompanied with palpitation and fluttering of the heart. I had such sudden attacks that on one occasion I could scarcely get home. I making mention of my case to a friend, he referred me to Joseph K. Stapleton, esq., an old and highly respectable citizen of Baltimore, who had used the Tincture under similar circumstances. I called on Mr. Stapleton, and, after an interview of some minutes, I was fully satisfied of the medical virtues of the Tincture, from the evidence before me, of his own person, who, for some time previous, indicated a falling state of health, but now a hearty, hale appearance, with the activity of youth. I immediately commenced using the Tincture, and, before I took the contents of one bottle, my strength was renewed, and I can walk as brisk and am as active as I was twenty years ago. This Tincture is the grand restorative of the digestive organs, which when destroyed, the whole system is in a state of suffering.

I do assert it is no humbug, but is, in reality, what it is represented to be by Dr. Hampton, the inventor.
